

Position: Flock Nutrition and Health Manager
Company: Jaindl Turkey Farms
Pennsylvania, USA
Open Until: Suitable candidate is found
Industry Sector: Production / Farming
Industry Type: Animal Health
Career Type:
Job Type: Full Time
Minimum Years Experience: 5 years
Salary: USD – Commensurate with experience

Jaindl Farms is a family owned and operated turkey farm that has been located in the beautiful Lehigh Valley for over 70 years.

The successful candidate shall:

- Have a minimum of 5 years of “hands on” field experience with poultry.
- Have excellent diagnostic skills.
- Possess effective communication and management skills.
- Knowledge of the Spanish language helpful but not required.
- Have basic computer skills in Microsoft office.
- Maintain flock health, nutrition and inventory records.
- Be required to collect blood samples for state lab analysis.
- Be responsible to oversee flocks daily.
- Oversee feed mill operation and inventory control to insure Regulatory compliance.
- Previous experience working with organic poultry helpful.

Jaindl Farms offers an excellent benefit package.

Applications may be faxed to (610) 395-8608 or emailed to webmaster@Jaindl.com .

To all recruitment agencies: Jaindl Farms does not accept unsolicited third party resumes without a contract.
